

Wind Turbines
free energy
for all

Each
wind turbine
can generate
3000w

72 In all
the park

Total
216,000w

**Living
Battery**

The heart is the battery that
stores and regulates energy
and at the same time houses
200 cars!

Battery
The heart of the
project

Battery discharge time in hours	Power in Watts
1	532,000
2	266,000
5	133,000
10	53,000
15	35,000
20	27,000

Connections
Direct access to
Luna Park, Palais Theatre
and the city
