

## 1. ST. KILDA MARKETPLACE

- » St. Kilda Esplanade Market can expand and inhabit permanent infrastructure
- » Provides an additional location for Veg Out St. Kilda Farmers' Market
- » Gives emerging community food and retail vendors the opportunity to connect with locals and tourists

## 2. COMMUNITY CABANAS

- » When the market is not operating, *Radiance Ribbon's* modules can support diverse programs like educational talks, pop-up wine bars, and live music

## 3. CULTURAL PAVILION ENTRY

- » *Radiance Ribbon* folds to form canopies over entry to new pavilions
- » Unites St. Kilda's diverse elements with consistent aesthetic

## 4. INTERACTIVE DANCE FLOOR

- » Continues the site's legacy of dance venues, like Palais de Danse and Palace Nightclub
- » Promotes fun physical activity and an active lifestyle
- » Produces data on pedestrian traffic, allowing planners to analyse and adapt to the site's occupancy patterns

## 5. LINK TO FORESHORE

- » *Radiance Ribbon* is a pathway from the Esplanade to the foreshore, integrating existing amenities and attractions
- » Potential to continue *Radiance Ribbon* over future Jacka Boulevard pedestrian bridge, creating a continuous trail

## 6. BEACHFRONT CABANAS

- » Near the Port Philip Bay waterfront, *Radiance Ribbon* can be used as a traditional beach cabana, for shelter and privacy
