

The narrative of Bunjil protecting the land remains pertinent, we must repair the broken relationship between humans, land and the sea.

A space of cultural activation
Ngargee will boast a broad programme of cultural activations including traditional ceremonies, Live music and markets.

A culturally sustainable landmark.
Ngargee will attract visitors from far and wide, as people transition through the space they will learn about the sustainability and the cultural history of Melbourne.

Providing a canvas
Artwork by indigenous artists will be integrated into the sculpture and pathway through and evolving cultural program.
