

SOLAR PAVILION

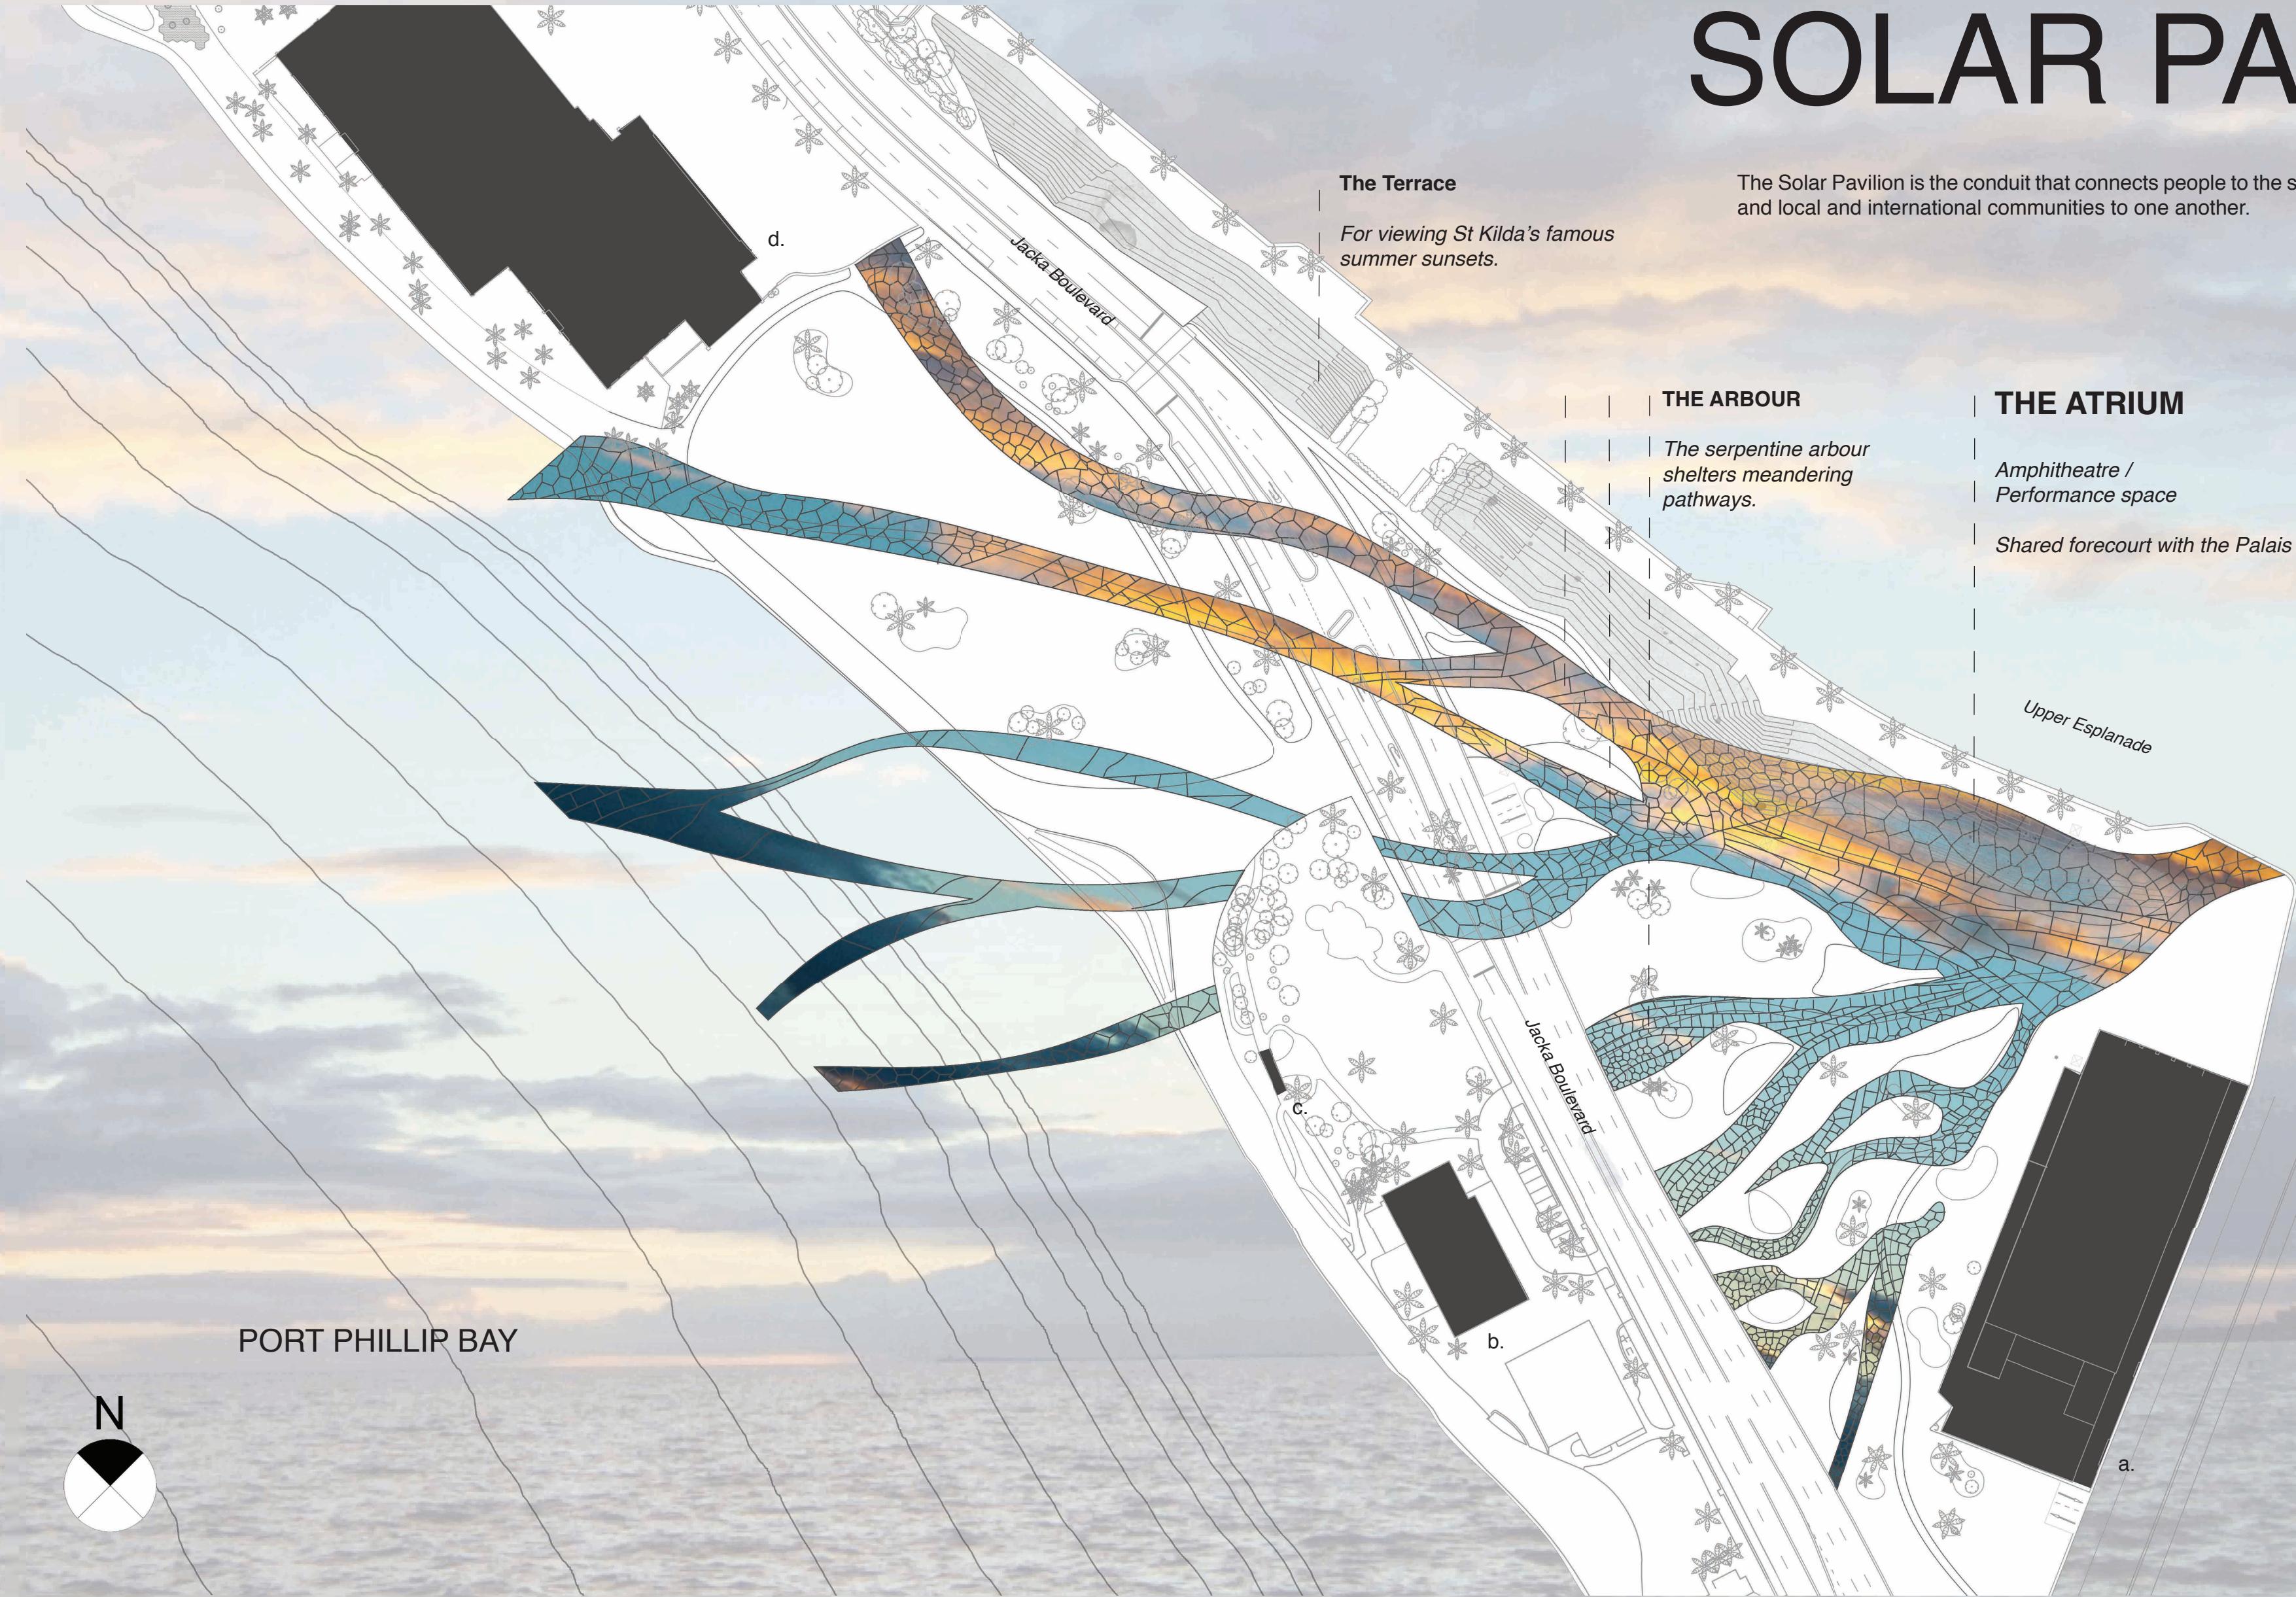

The Solar Pavilion is the conduit that connects people to the sea, the land to the sky, us to extinct ecologies and local and international communities to one another.

The Terrace and Contours

Circulation and Water Sensitive Urban Design

The Terrace
For viewing St Kilda's famous summer sunsets.

THE ARBOUR
The serpentine arbour shelters meandering pathways.

THE ATRIUM
Amphitheatre / Performance space
Shared forecourt with the Palais Theatre

The Acland Carlisle Junction
Providing pedestrian continuity to the St Kilda foreshore from the busy shopping precinct.
