

ART PAINTINGS IN CALLIGRAPHY SQUARE KUFIC

The inspiration of the project was linked to the promotion of cultural and social identity in the UAE region, especially the city of Masdar, Abu Dhabi, where thousands of visitors to enjoy the calligraphers.

The project will be the **palace of the Arabic calligraphy**

The art of calligraphy is characterized by flowing shapes and intricate geometric designs. This Arab art, which was called by the Scottish philosopher Euclid as "spiritual art" flows from the pens of Arab calligraphers and Muslims for thirteen centuries without interruption

One of the oldest Arabic fonts is the **Kufic** line in the Arabian Peninsula
