

Ghaf

The green color was chosen for the map of UAE
in memory of words of Sheikh Zayed Bin Sultan Al Nahyan
“...we have succeeded in transforming the desert into a green land...”

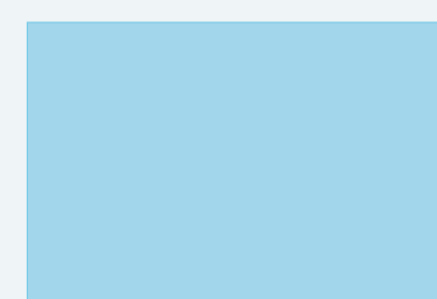

Kromatix™ modules chosen for this project:

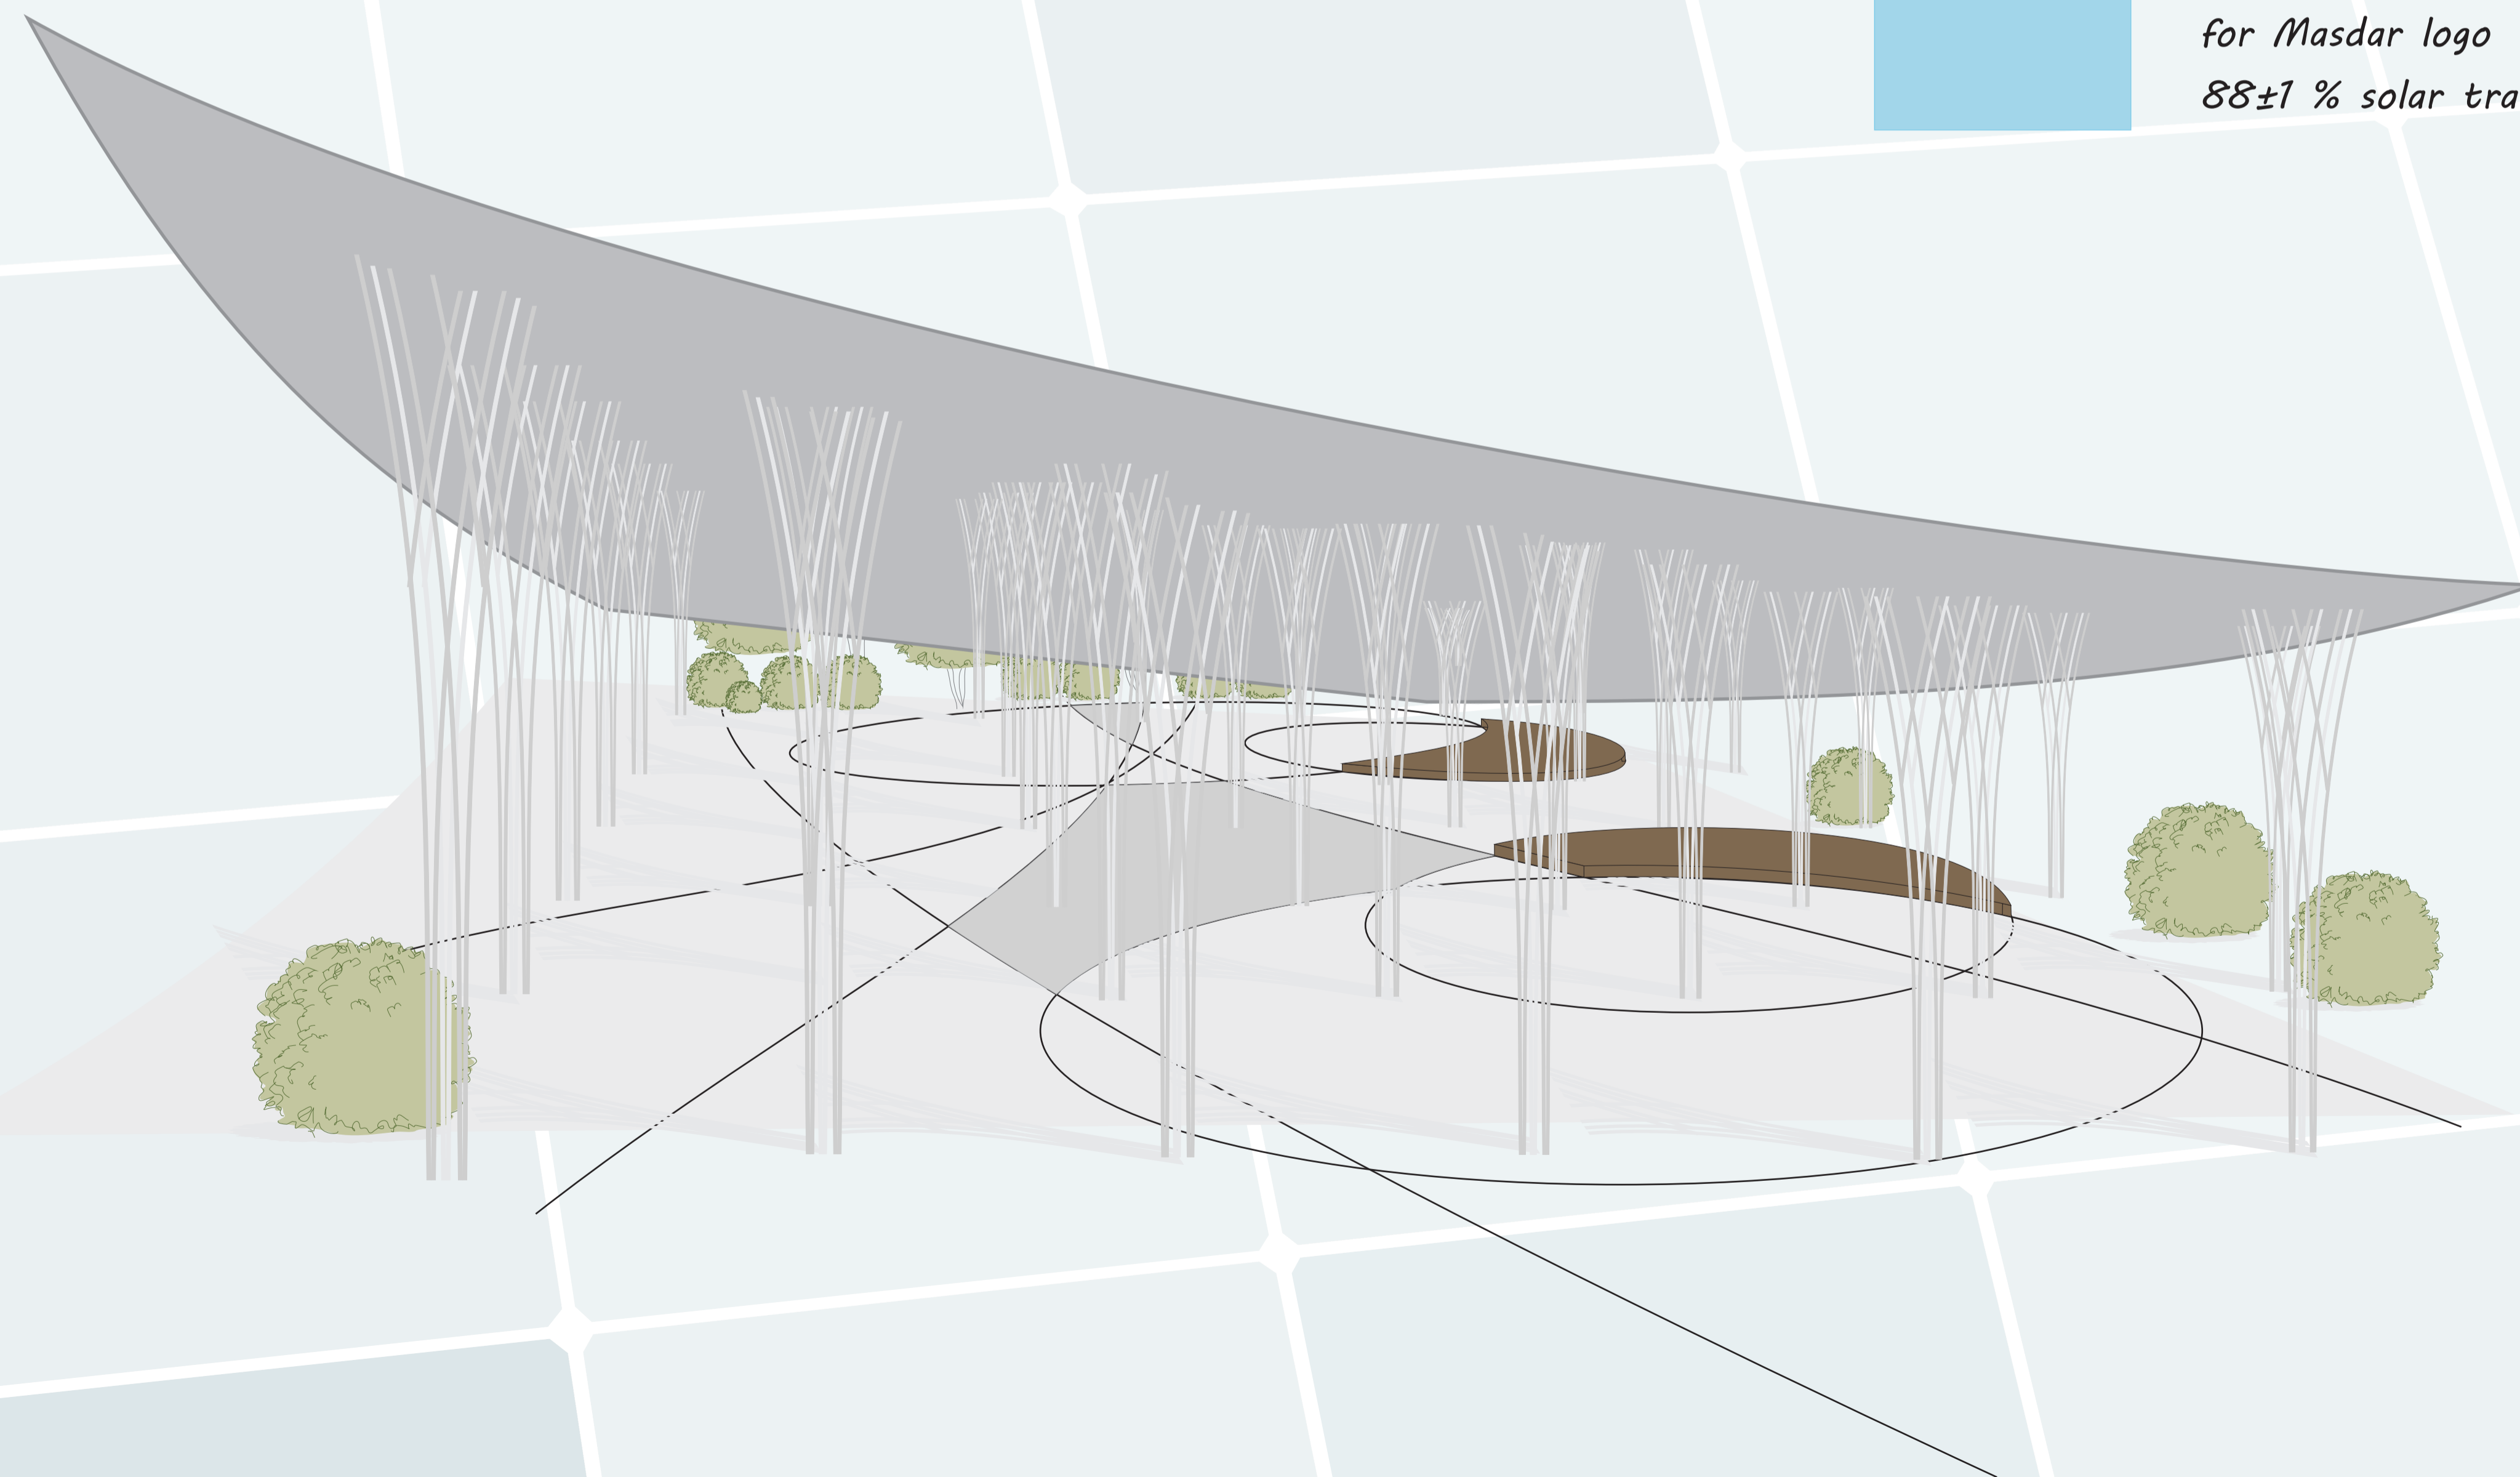

Kromatix Green
for the map of UAE
87±1 % solar transmittance

Kromatix Grey
as background for both images
90±1 % solar transmittance

Kromatix Blue
for Masdar logo
88±1 % solar transmittance

estimated annual output
2200 MWh/year

estimated capacity
1800 kW_{peak}

estimated total cost
7,5-9,5 millions USD
