

- 1 Canopy (electricity & water tech)
- 2 Path
- 3 Emergency Shelter / Event Space
- 4 Plantations
- 5 Rain water ponds (demi lunes)

Map 1:2500

The Stretch connects the plantations and rain water ponds with the village. The Stretch continues as a path to a new pier at waterfront. The path and pier are incorporated with a sea water pipe feeding the steam chamber within the Stretch's machinery.
