S3
S4
S5

LITTLE BLACK BOX

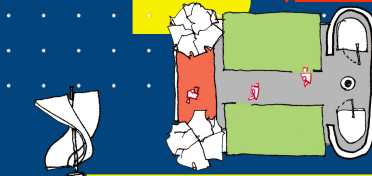

BURNING MAN SITE

Experimentation of the design. Feasibility and exploring the possibilities of new ways of living.

S1

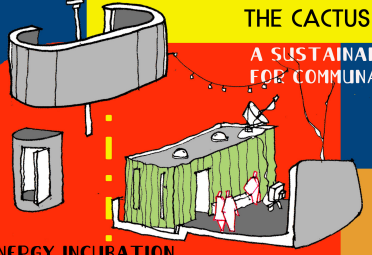

THE BLOB

INSTANT LIVING PODS

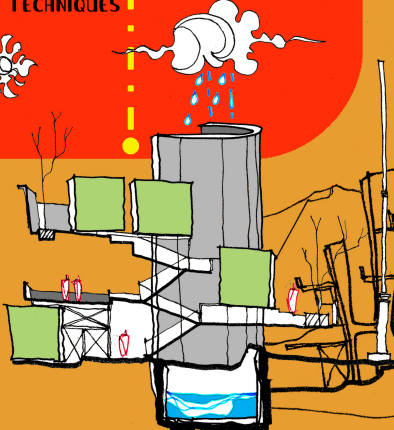

THE CACTUS

A SUSTAINABLE MODEL FOR COMMUNAL LIVING

ENERGY INCUBATION TECHNIQUES

A community experimental housing-Shipping containers-Energy incubators-Energy savings-self sustainable housing solutions -Visitor staying pods & In built energy incubation methods

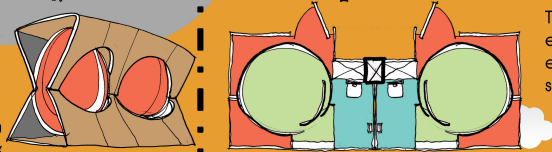

THE EGGS

A SUSTAINABLE MODEL FOR COMMUNAL LIVING

S5

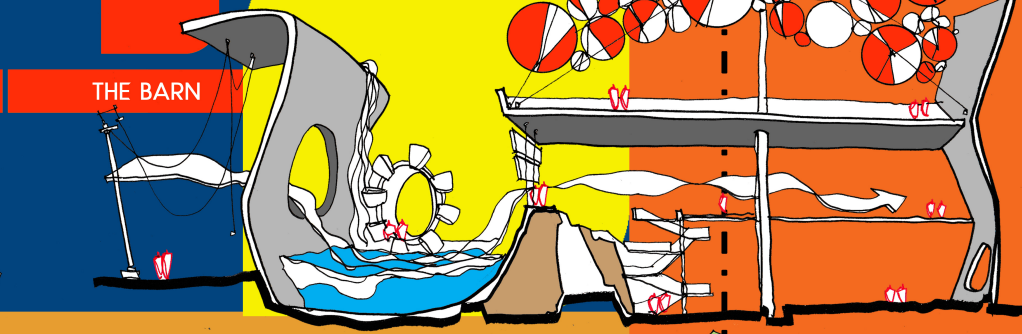

SMART ENERGY TECHNIQUES

S4

MAKER SPACE & BURNING MAN LABORATORY

THE BARN

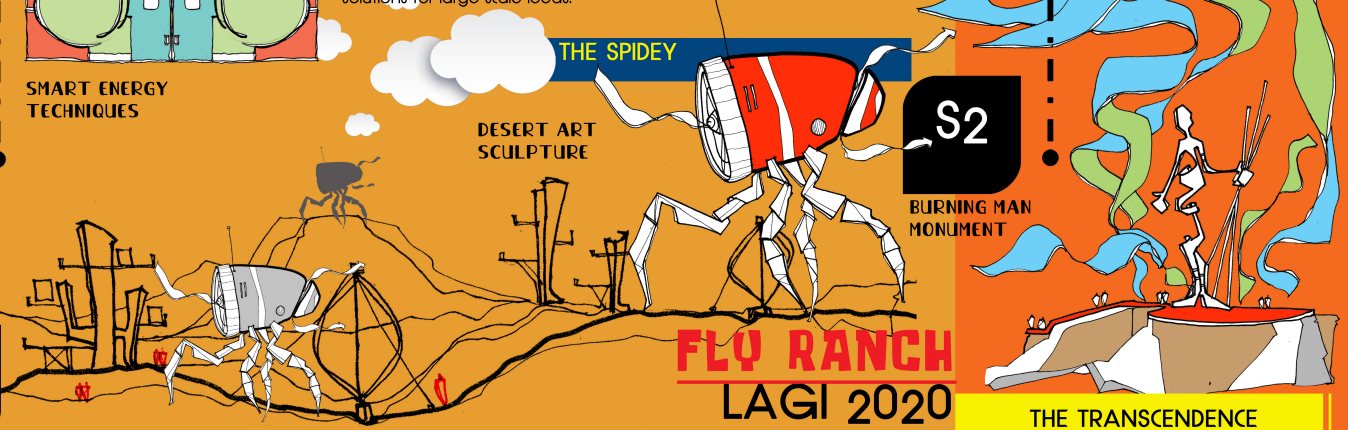

The maker space - An attempt for experimentation of sculptures & experimental community housing methods-Arena with innovative energy efficient techniques -Huge platforms for hoisting & workable solutions for large scale ideas.

THE SPIDEY

DESERT ART SCULPTURE
