"People walk inside and outside, finding their inner peace with this art piece. The new technology never ends as it inspires human mental world."

## DESIGN ADVANTAGES

Consistant temprature year-round

Extremely durable

Freedom from fossil fuels

New tech + materials as an experiment in the future geothermal marketings

## ELECTRICITY PRODUCTION

2628 MWh Annual Power Generated

Potable Water

## → Buildability 95% 262.8 MWh 262.8 MWh 1971 MWh Neighbourhood Camping Tourism Self-lighting

→ Returen Thermal Modules 5%

26 km<sup>3</sup> Annual Quantity Generated

BUILDABILITY
