

NATURE INTERPRETATION

THE SLEEPING CABINS INTERTWINE WITH THE LANDSCAPE, ALLOWING VISITORS TO LIVE COMFORTABLY WITHIN THE BLACK ROCK DESERT.

PHASE 1-A

GUIDED TOUR

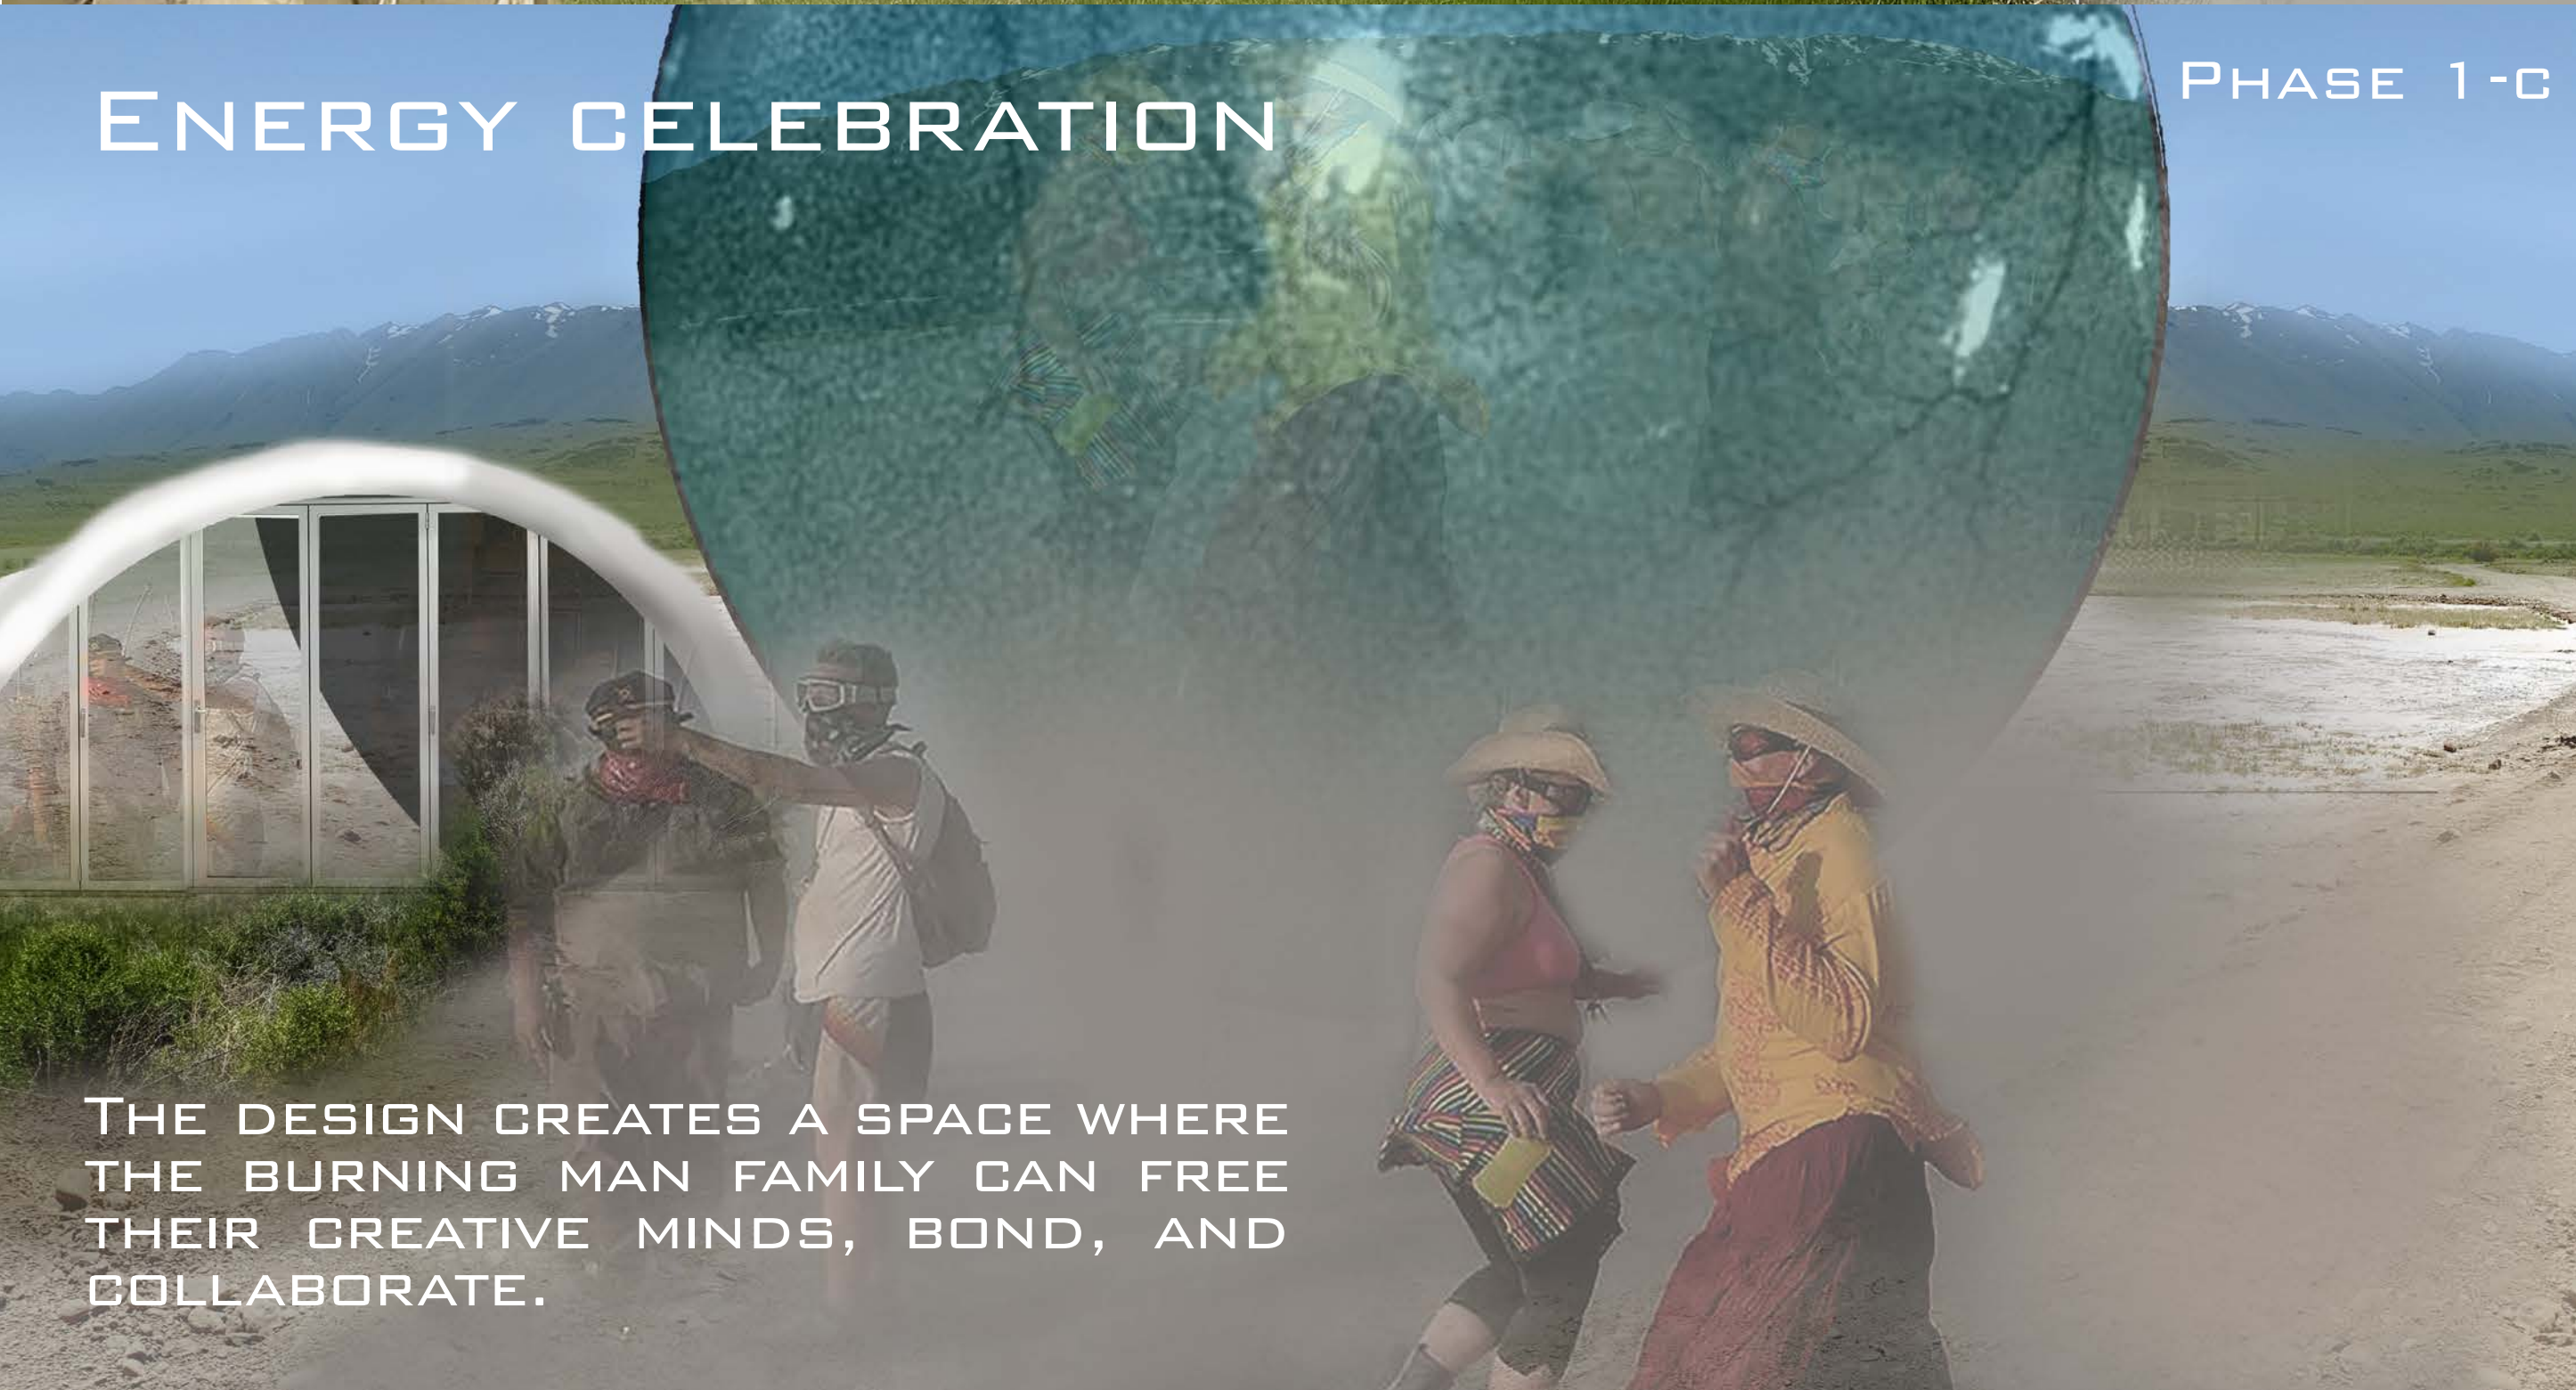

THIS DESIGN PROVIDES OPPORTUNITIES FOR PEOPLE TO EXPERIENCE AND UNDERSTAND THIS DIVERSE AND UNIQUE LANDSCAPE.

PHASE 1-B

ENERGY CELEBRATION

THE DESIGN CREATES A SPACE WHERE THE BURNING MAN FAMILY CAN FREE THEIR CREATIVE MINDS, BOND, AND COLLABORATE.

PHASE 1-C

PHASE 1

THE MAIN HUBS DERIVE THEIR FORMS FROM THE GRANITE MOUNTAINS, FLY GEYSER AND THE ICONIC FIRE OF BURNING MAN. THE PROJECT PROPOSES STARTING WITH THE NORTH SITE AROUND FLY GEYSER, AND HAS OPPORTUNITY TO SPREAD TO THE CENTER AND SOUTH AREAS OF FLY RANCH IN THE FUTURE TO ADAPT THE SITE FOR CHANGING USES WHILE MAINTAINING THE SAME DESIGN LANGUAGE.
