

o-phosis

O-phosis offers a transformation through the healing and contemplation of nature. That's the reason why we use naturopathy, contemplation zones, and living materials in the installations. In the beginning there is a Pathway of senses, a passage under the desert landscape that emerges from it to discover a new place, and yourself.

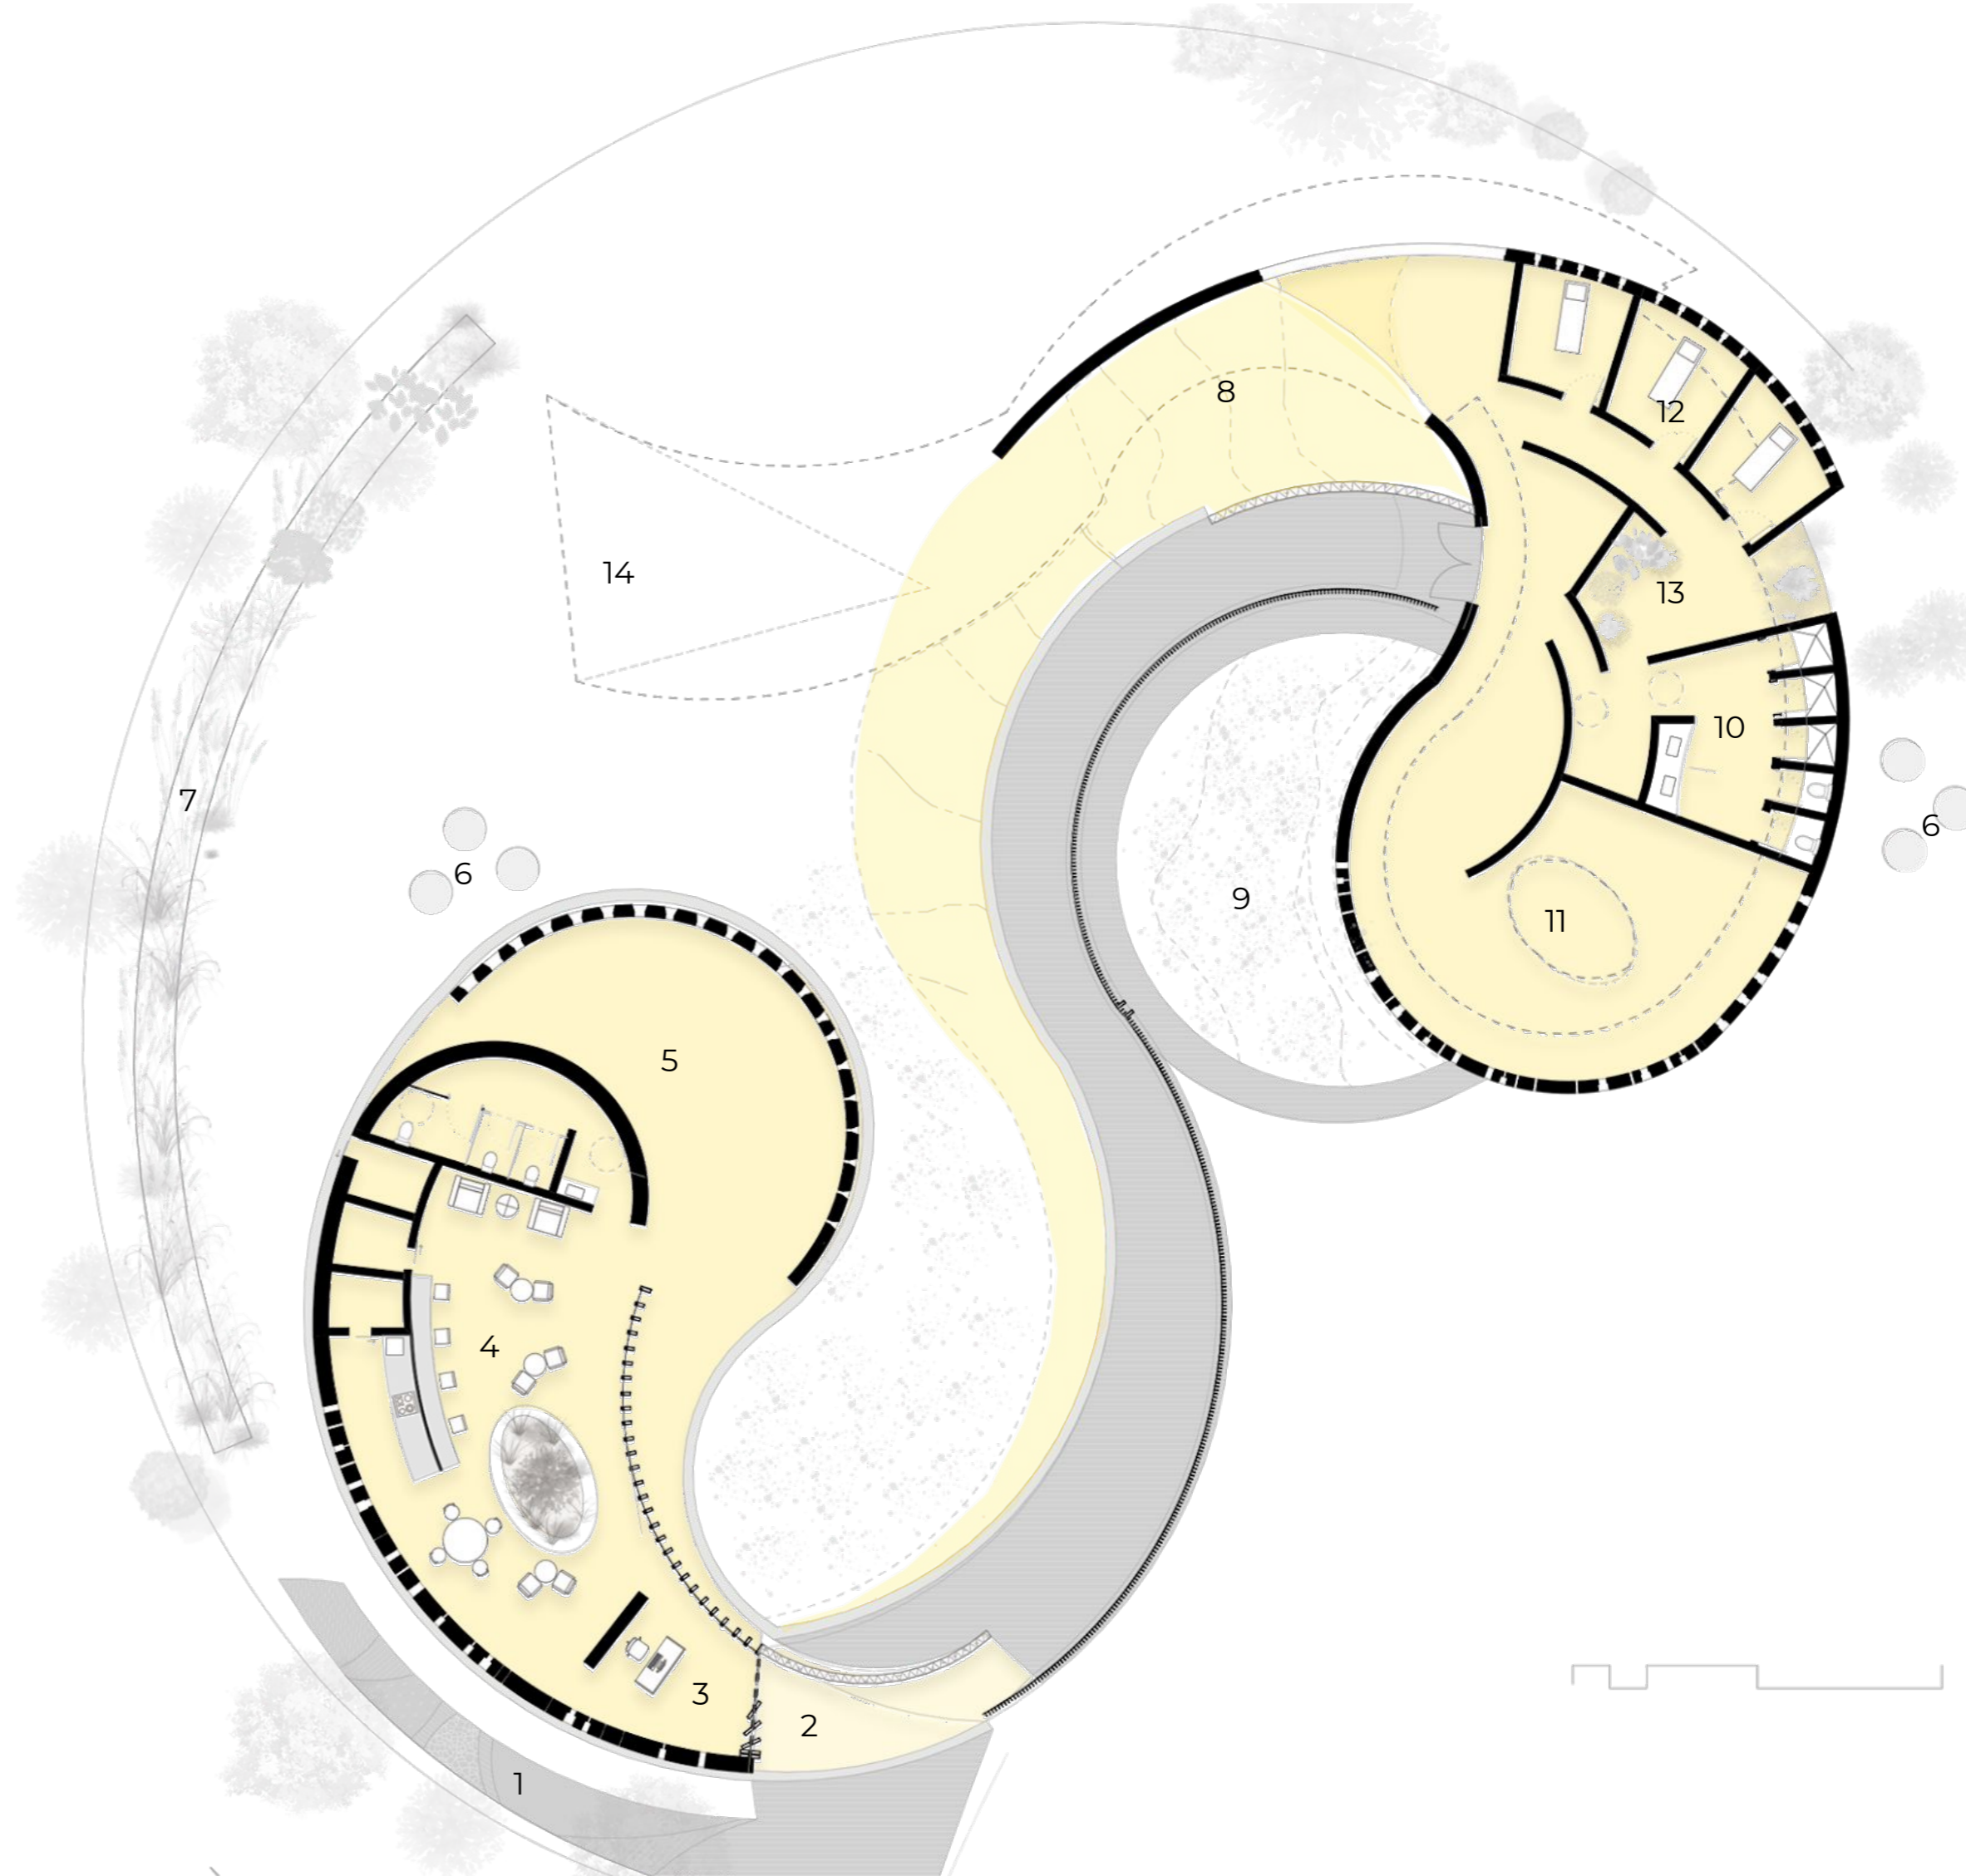

1. Megaphones
2. Kaleidoscope
3. Wind symphony
4. Feet sensory
5. Visitable roof (viewer)
6. Transport station
7. Geiser
8. Lagoon

METAMORPHOSIS

Transformations happen whether we believe in them or not so much our goal like LAGI and Burning Man is to design an in-structure that marks the change in our lifestyle as society for the common good of all

1. Sensory path
2. Entrance
3. Reception
