

Structure

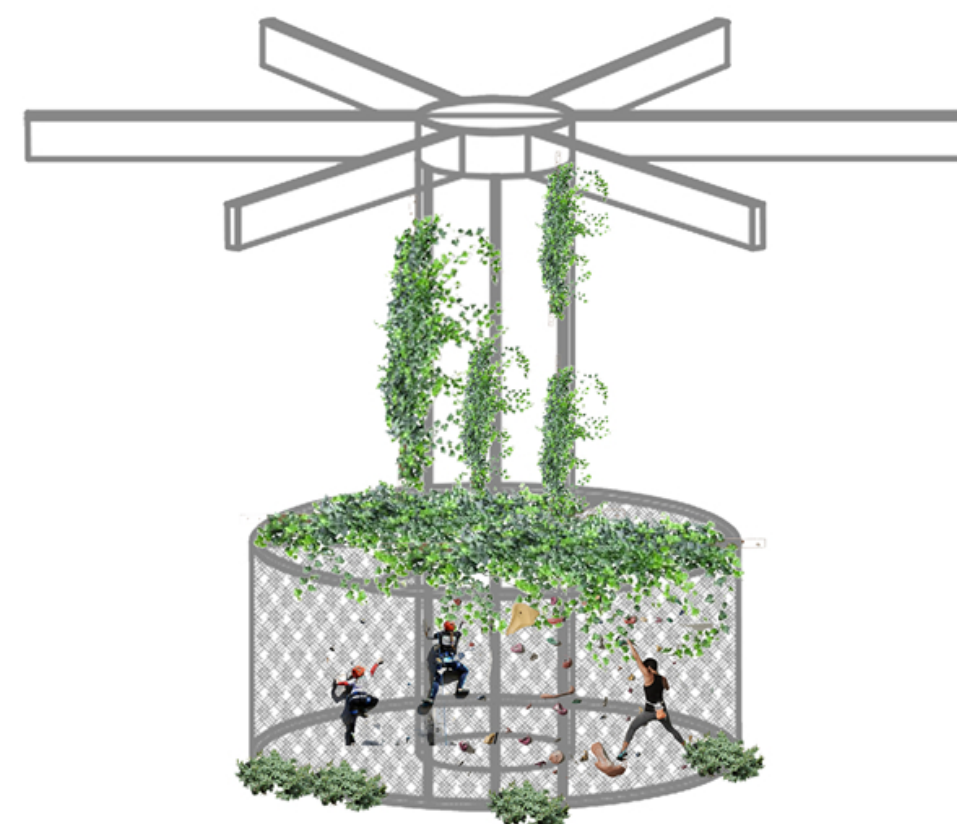

- Photovoltaic panels and energy storage.
- Vertical axis wind turbines
- Biomass
- Biomotion energy harvesting
- Piezoelectric flooring system.

- Piezoelectric flooring system.

Structure

- Photovoltaic panels and energy storage.
- Vertical axis wind turbines
- Biomotion energy harvesting
- Piezoelectric flooring system.

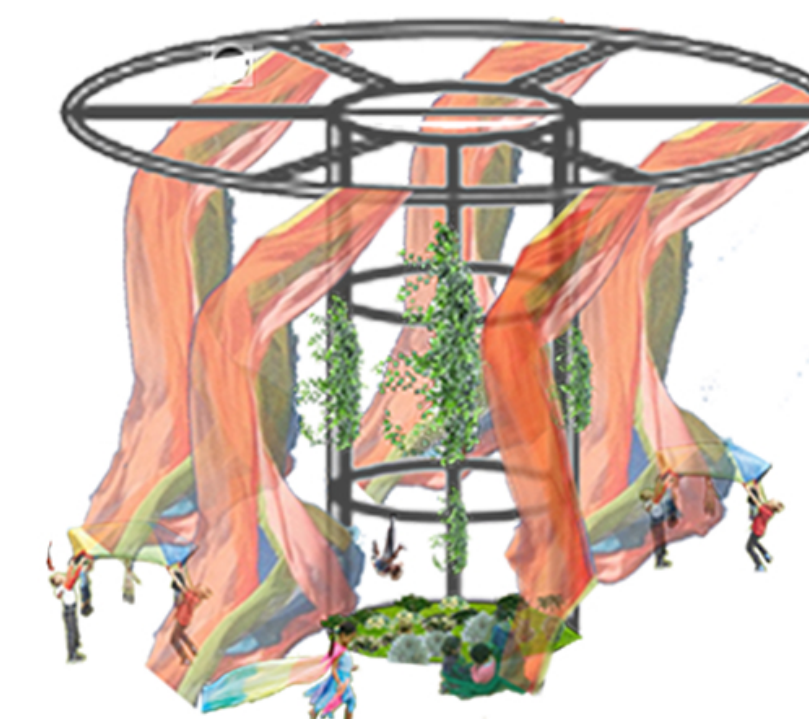

- Piezoelectric flooring system.

- Piezoelectric flooring system.

Structure

- Photovoltaic panels and energy storage.
- Vertical axis wind turbines
- Triboelectric nanogenerator (TENG) and textile materials
- Biomotion energy harvesting
- Piezoelectric flooring system.

- Piezoelectric flooring system.
